[PODFIC] One Day I'm Meant to Be With You

by [CanticumSirenis \(InterstellarSiren\)](#)

Summary

Spoilers present for the end of Star Trek: Picard Season 1

"If Agnes Jurati's life had taught her anything, it was that sometimes nothing you do is ever enough. She had learned it the hard way; false promises and lost loves, people dying on her watch..."

Short, sweet and slightly angsty one-shot. Agnes Jurati has been through so much. But now, with the help of her friends and a new love, she knows exactly where she's meant to be.

Notes

Title inspired by "Roses and Violets" by AlexanderJean. Also, this is an older fic, crossposted from AO3. Pseuds were different at the time this was originally posted.
