Notes

Made for genprompt_bingo prompt perfect. Caps used are my own from the behind the scenes segments on the DVDs, blank polaroid(s) are from a public domain image search and exploding star image is also from a public domain image search. Text is selected lines from Perfect by The Veronicas. Font used is against history.

[an exploding star with four polaroid's of Kathryn Janeway as Katrine with the text what you look like what you say. Queen Arachnia with the text I don't need no glitter dreams. Kathryn Janeway being interviewed I'd rather be a fucking mess than stable. Kathryn Janeway with the text all I need is just to feel like me.]
