Summary

“I can still feel her on my lips.”

Notes

Spoiler for Rejoined. First time writing anything ST related so please be gentle :) takes place sometime before the kiss. Mistakes are my own and unintentional.

“I can still feel her on my lips,” Jadzia wistfully admitted

“You can or Torias can?” Kira questioned.

“Both of us can. Somehow she still feels soft and smells like raspberry sorbet, tastes like heaven.”

Kira sighed softly. “It’s against the rules of Trill society isn’t it?”

“Yes it is but I feel like I have unfinished business because of another host from another life. It’s hard trying to be me and have someone else’s feelings pushing their way to the surface.”

“What are you going to do about it?”

“Offer my friendship to Lenara but talk about our lives together when we were Torias and Nilani and take it from there.”

Kira briefly contemplated her next question. “Are you going to kiss her?”

“If that’s what she wants.”
